

PRIVACY AND COOKIE POLICY

PRIVACY & COOKIE POLICY

Within our Privacy Policy, we describe how we collect, use and otherwise handle any Personal Information that you provide or make available to us directly (through direct contact when you prospect or engage us to provide you services) or through our website or the website of any of our members (“Websites”) and explains the circumstances in which we may transfer this to others.

I. INTRODUCTIONAL EXPLANATION

1. HOW, WHEN AND WHY DO WE COLLECT AND USE PERSONAL INFORMATION?

a) Personal Information that we collect

The types of information that we may collect from you (directly or indirectly) are the following:

- your name;
- your email address;
- your physical address;
- your IP address;
- any other information that you choose to provide to us when filling out a contact form on our Websites or contribute to our projects;
- your geographic location (country/territory where you are living and/or working);
- your bank account details (when the service provided require holding such information);
- your passport copy or any civil identification
- any other additional information we may be obliged to collect in order to comply with applicable AML and KYC laws, as follows:
 - date and place of birth (for an individual);
 - nationality;
 - gender;
 - phone number;
 - proof of a residential address (for an individual), or a principal place of business, local office, or other physical location (for a person other than an individual); and
 - proof of identification with a photograph (selfie with passport in hand)

b) How we use your Personal Information

We may use your Personal Information for our business purposes such as:

- to process and respond to inquiries and provide our services or support to your QUANTOCOIN PROJECTS/contributions of our projects
- to manage our relationship with you
- to market our services or events
- to send notices, newsletters, publications
- record keeping, internal reporting and research purposes;
- to ensure network and information security;
- to notify you about changes to our services;
- send information to you regarding changes to our Terms and Conditions of Service, Privacy Policy (including the Cookie Policy), or other legal agreements;
- meet legal requirements;
- to investigate any complaint you make;
- to provide evidence in any dispute or anticipated dispute between you and us;
- to customise various aspects of our websites to improve your experience;
- to host, maintain and otherwise support the operation of our websites;
- for the detection and prevention of fraud and other criminal offences and for risk management purposes and compliance with AML and KYC laws and regulations;
- for business and disaster recovery (e.g. to create back-ups);
- for document retention/storage;
- for database management;
- to ensure the quality of the services we provide to our users.

In addition, we may use your Personal Information for further specific purposes made clear at the point of collection.

If you choose not to provide Personal Information requested by us, we may not be able to provide you with the information and/or services you have requested or otherwise fulfil the purpose(s) for which we have asked for the Personal Information.

If you wish not to receive any marketing materials, please contact us directly to info@banqueduval.com

c) Legal grounds for collection and use of Personal Information

We process your personal information where we need to do so:

- to comply with our legal and regulatory obligations;
- for our legitimate interests in:
 - responding to your queries;
 - providing services and/or information to you;

We consider that the risk to your data protection rights in connection with Personal Information that we process on the basis of our legitimate interests is not excessive or overly intrusive. We have also put in place protections for your rights by ensuring proper retention periods and security controls.

2. HOW AND WHEN DO WE SHARE INFORMATION WITH THIRD PARTIES?

Some services that we provide require the involvement of third parties. We have carefully selected these third parties and taken steps to ensure that your Personal Information is adequately protected. Details about how we share Personal Information with third parties is set out below:

a) Sharing within Banque Duval & CIE Ltd

Your Personal Information are shared within Banque Duval & CIE Ltd and any of the QTC (QUANTOCOIN) group of companies:

- if you ask that we should do so;
- where we need to do so in order to provide the services or information that you have requested.
- When a group member would like to use your Personal Information for a new purpose, he will let you know about this first.

b) Sharing with other third parties

We share your Personal Information with:

- our accountants, auditors, lawyers or similar advisers when we ask them to provide us with professional advice, however, only after prior explicit consent from your side;
- any other third party if we are under a duty to disclose or share your Personal Information in order to comply with any legal obligation, or to protect the rights, property and/or safety of Banque Duval & CIE LTD or other QTC group companies, our personnel or others;
- any other third party for the purposes of acting in accordance with the requirements of a court, regulator or government agency, for example, complying with a search warrant or court order or acting in accordance with an applicable law or regulation; or

3. HOW LONG DO WE STORE PERSONAL INFORMATION?

It is our policy to retain your Personal Information for the length of time required for the specific purpose or purposes for which it was collected. However, we may be

obliged to store some Personal Information for a longer time, taking into account factors including:

- legal obligation(s) under applicable law to retain data for a certain period of time;
- the statute of limitations under applicable law(s);
- (potential) disputes and
- guidelines issued by relevant data protection authorities.

Whilst we continue to process your Personal Information, we will ensure that it is treated in accordance with this Privacy Policy. Otherwise, we securely erase your information once this is no longer needed and we secure your right to be “forgotten” through our FORGOTTEN bottom and specific software, which ensures the best possible way that even links to third-party providers are deleted.

Explicitly excluded, and by reading and confirming this Privacy Policy you understand respective implications, are the blockchain related specifications as well related to your very personal blockchain related information, to which, however, we do not have direct or indirect access, but only you. We, herein, would only like to inform you that within your very personal created blockchain there may be information saved, which may not be erased or deleted at all.

4. COOKIES

QUANTOCOIN and its partners use cookies or similar technologies (such as web beacons) to analyse trends, administer the website, track users’ movements around the website, and to gather demographic information about our user base as a whole. To find out more about how we use cookies on our Websites and how to manage your cookie preferences please see our [Cookie Policy](#) below.

5. SECURITY

We have implemented reasonable administrative, technical and physical measures to protect your personal information against loss, misuse and alteration.

6. CONFIDENTIALITY

We acknowledge that the information you provide may be confidential. We do not sell, rent, distribute or otherwise make Personal Information commercially available to any third party, except that we may share information with our service providers for the purposes set out in this Privacy Policy. We will maintain the confidentiality of and protect your information in accordance with our Privacy Policy and all applicable laws.

II. SPECIFIC FURTHER EXPLANATION

1. Use of the QUANTOCOIN PROJECT Service by our Contributors

Our online QUANTOCOIN PROJECT Service allows any individual and company that uses it (our contributors) to use its overall service content. The QUANTOCOIN PROJECT Service user adds its information, which will be stored and managed on our service providers' servers. This information is then used to contact contributors about their contribution and to provide own marketing, lead generation, and contributor service needs.

We may transfer Personal Information to companies that help us provide our service. Transfers to subsequent third parties are covered by the service agreements with our contributors.

2. Information We Collect

a) When You Visit our Websites

You are free to explore the Websites without providing any Personal Information about yourself. When you visit the Websites or register for the QUANTOCOIN PROJECT Service, we request that you provide Personal Information about yourself, and we collect Navigational Information.

b) When You Use our Mobile Application

We use mobile analytics software to allow us to better understand the functionality of our Mobile Apps on your mobile device. This software may record information such as how often you use the application, the events that occur within the application, aggregated usage, performance data, and where the application was downloaded from. In addition to information we collect on our Websites, when you use our Mobile Apps we may also collect your city location, device model and version, device identifier (or "UDID"), OS version, and your QUANTOCOIN PROJECT Service credentials.

We send push notifications from time to time in order to update you about events or promotions. If you no longer wish to receive such communications, you may turn them off at the device level.

We may link information we store within the analytics software to Personal Information you submit within the Mobile App. We do this to improve services we offer you and improve our marketing, analytics and site functionality.

"Personal Information"

This refers to any information that you voluntarily submit to us and that identifies you personally, including contact information, such as your name, e-mail address, company name, address, phone number, and other information about yourself or your business. Personal Information can also include information about any transactions, both free and paid, that you enter into on the Websites, and information about you that is available on the internet, such as from Facebook, LinkedIn, Twitter and Google, or publicly available information that we acquire from service providers.

Personal Information also includes Navigational Information or Payment Information where such information can directly or indirectly identify an individual. Navigational information refers to information about your computer and your visits to this website such as your IP address, geographical location, browser type, referral source, length of visit and pages viewed.

Please see the "Navigation Information" section below. Payment information includes We collect and process payment information from you when you subscribe to the QUANTOCOIN PROJECT Service, including credit cards numbers and billing information, using third-party PCI-compliant service providers. Except for this, we do not collect Sensitive Information from you.

c) Log Files

When you use our services our view content provided by us, we automatically collect information about your computer hardware and software. This information can include your IP address, browser type, domain names, internet service provider (ISP), the files viewed on our site (e.g., HTML pages, graphics, etc.), operating system, clickstream data, access times and referring website addresses. This information is used by us for the operation of the QUANTOCOIN PROJECT Service, to maintain the quality of the QUANTOCOIN PROJECT Service, and to provide general statistics regarding use of our Websites. For these purposes, we do link this automatically-collected data to Personal Information such as name, email address, address, and phone number.

d) Information we collect from third parties

From time to time, we may receive Personal Information about you from third party sources including partners with which we offer co-branded services or engage in joint marketing activities, and publicly available sources such as social media websites.

e) Information About Children

The Websites are not intended for or targeted at children under 16, and we do not knowingly or intentionally collect information about children under 16. If you believe that we have collected information about a child under 16, please contact us at privacy@banqueduval.com, so that we may delete the information.

3. How We Use Information We Collect

a) Compliance with Our Privacy Policy

We use the information we collect only in compliance with this Privacy Policy. Contributors who subscribe to our QUANTOCOIN PROJECT Services are obligated through our agreements with them to comply with this Privacy Policy.

b) We Never Sell Personal Information

We will never sell your Personal Information to any third party.

c) Use of Personal Information

In addition to the uses identified elsewhere in this Privacy Policy, we may use your Personal Information to:

- improve your browsing experience by personalizing the Websites and to improve the QUANTOCOIN PROJECT Service;
- send information to you which we think may be of interest to you by post, email, or other means and send you marketing communications relating to our business;
- promote use of our services to you and share promotional and information content with you in accordance with your communication preferences;
- provide other companies with statistical information about our users, but this information will not be used to identify any individual user;
- send information to you regarding changes to our Customer Terms of Service, Privacy Policy (including the Cookie Policy), or other legal agreements
- meet legal requirements.

We may, from time to time, contact you on behalf of external business partners about a particular service that may be of interest to you. In those cases, we do not transfer your Personal Information to the third party.

In addition to above mentioned, we use the information collected through our QUANTOCOIN PROJECT Service by our contributors for the following purposes:

- to provide the QUANTOCOIN PROJECT Service (which may include the detection, prevention and resolution of security and technical issues);
- to respond to contributor support requests; and
- otherwise to fulfil the obligations under the Terms of Service.

d) Legal basis for processing Personal Information (EEA visitors only)

If you are a visitor/contributor located in the European Economic Area ("EEA"), our Data Protection Officer can be contacted at privacy@banqueduval.com.

Our legal basis for collecting and using the personal information described above will depend on the personal information concerned and the specific context in which we collect it. However, we will normally collect personal information from you only where we have your consent to do so, where we need the personal information to perform a contract with you, or where the processing is in our legitimate interests and not overridden by your data protection interests or fundamental rights and freedoms. In some cases, we may also have a legal obligation to collect personal information from you.

If we ask you to provide personal information to comply with a legal requirement or to perform a contract with you, we will make this clear at the relevant time and advise you whether the provision of your personal information is mandatory or not (as well as of the possible consequences if you do not provide your personal information). Similarly, if we collect and use your personal information in reliance on our legitimate interests (or those of any third party), we will make clear to you at the relevant time what those legitimate interests are.

e) Use of Navigational Information

We use Navigational Information to operate and improve the Websites and the QUANTOCOIN PROJECT Service. We may also use Navigational Information alone or in combination with Personal Information to provide you with personalized information about our project or related services.

f) Customer Testimonials and Comments

We may post contributor testimonials and comments on our Websites, which may contain Personal Information. We obtain each contributor's consent via email prior to posting the contributor's name and testimonial.

g) Use of Credit Card Information

If you give us credit card information, we use it solely to check your financial qualifications and collect payment from you. We use a third-party service provider to manage credit card processing. This service provider is not permitted to store, retain, or use information you provide except for the sole purpose of credit card processing on our behalf.

h) Security of your Personal Information

We use a variety of security technologies and procedures to help protect your Personal Information from unauthorized access, use or disclosure. We secure the Personal Information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use or disclosure. All Personal Information is protected using appropriate physical, technical and organizational measures.

i) Social Media Features

Our Websites include Social Media Features, such as the Facebook Like button and Widgets, such as the Share This button or interactive mini-programs that run on our sites. These features may collect your IP address, which page you are visiting on our sites, and may set a cookie to enable the feature to function properly. Social Media Features and Widgets are either hosted by a third party or hosted directly on our Websites. This Privacy Policy does not apply to these features. Your interactions with these features are governed by the privacy policy and other policies of the companies providing them.

j) External Websites

Our Websites provide links to other websites. We do not control, and are not responsible for, the content or practices of these other websites. Our provision of such links does not constitute our endorsement of these other websites, their content, their owners, or their practices. This Privacy Policy does not apply to these other websites, which are subject to any privacy and other policies they may have.

k) Public Forums

We offer publicly accessible message boards, blogs, and community forums. Please keep in mind that if you directly disclose any information through our public message boards, blogs, or forums, this information may be collected and used by others. We will correct or delete any information you have posted on the Websites if you so request, as described in "Opting Out and Unsubscribing" below.

l) Retention of Personal Information

How long we keep information we collect about you depends on the type of information, as described in further detail below. After such time, we will either delete or anonymize your information or, if this is not possible, then we will securely store your information and isolate it from any further use until deletion is possible.

We retain Personal Information that you provide to us where we have an ongoing legitimate business need to do so (for example, as long as is required in order to contact you about the QUANTOCOIN PROJECT Service or our other services, or as needed to comply with our legal obligations, resolve disputes and enforce our agreements).

When we have no ongoing legitimate business need to process your Personal Information, we securely delete the information or anonymise it or, if this is not possible, then we will securely store your Personal Information and isolate it from any further processing until deletion is possible. We will delete this information from the servers at an earlier date if you so request, as described in "To Unsubscribe from Our Communications" below.

If you provide information to our cooperation partners as part of their use of the QUANTOCOIN PROJECT Service, our cooperation partners decide how long to retain the personal information they collect from you. If a cooperation partner terminates its service for the QUANTOCOIN PROJECT, then we will provide contributor with access to all information stored for the cooperation partner by us, including any Personal Information provided by you, for export by the cooperation partner according to our agreement with our partners. After termination, we may, unless legally prohibited, delete all cooperation partner information, including your Personal Information, from the QUANTOCOIN PROJECT.

If you have elected to receive marketing communications from us, we retain information about your marketing preferences for a reasonable period of time from the date you last expressed interest in our content, products, or services, such as when you last opened an email from us or ceased using your QUANTOCOIN PROJECT account. We retain information derived from cookies and other tracking technologies for a reasonable period of time from the date such information was created.

4. How We Share Information we Collect

a) Service Providers

We employ other companies and people to provide services to visitors to our Websites, our contributors, and users of the QUANTOCOIN PROJECT Service and may need to share your information with them to provide information, products or services to you. Examples may include removing repetitive information from prospect lists, analysing data or performing statistical analysis, providing marketing assistance, processing credit card payments, supplementing the information you provide us in order to provide you with better service, and providing contributor service or support. In all cases where we share your information with such agents, we explicitly require the agent to acknowledge and adhere to our privacy and contributor data handling policies.

b) Cooperation Partners

In addition, we may share data with trusted partners to contact you based on your request to receive such communications, help us perform statistical analysis, or provide partners' support. Such third parties are prohibited from using your Personal Information except for these purposes, and they are required to maintain the confidentiality of your information.

We partner with trusted third parties to provide you with co-marketing content that we think may be relevant to you. When you engage with these co-marketing partners, we will tell you who we are sharing data with, and provide a link to the co-marketing partner's privacy policy so you can learn more about how to opt-out of the partner's communications. These co-marketing partners are required to adhere to our privacy and data protection policies.

c) Corporate Events

If we (or our assets) are acquired by another company, whether by merger, acquisition, bankruptcy or otherwise, that company would receive all information gathered by us on the Websites and the QUANTOCOIN PROJECT Service. In this event, you will be notified via email and/or a prominent notice on our website, of any change in ownership, uses of your Personal Information, and choices you may have regarding your Personal Information.

d) Compelled Disclosure

We reserve the right to use or disclose your Personal Information if required by law or if we reasonably believe that use or disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or comply with a law, court order, or legal process.

5. International Transfer of Information

a) International Transfers within QUANTOCOIN's Entities

To facilitate our global operations, we transfer information to our other globally located entities and allow access to that information from countries in which the QUANTOCOIN affiliated entities have operations for the purposes described in this policy.

This Privacy Policy shall apply even if we transfer Personal Information to other countries. We have taken appropriate safeguards to require that your Personal Information will remain protected. When we share information about you within and among QUANTOCOIN's affiliated entities, we make use of standard contractual data protection clauses, which have been approved by the European Commission, and we eventually may have to rely on the EU-U.S. and Swiss-U.S. Privacy Shield Framework to safeguard the transfer of information we collect from the European Economic Area and Switzerland to the U.S.. Please see our Privacy Shield notice below for more information.

b) International transfers to third parties

Some of the third parties described in this privacy policy, which provide services to us under contract, are based in other countries that may not have equivalent privacy and data protection laws to the country in which you reside. When we share information of contributors in the European Economic Area or Switzerland, we, if applicable, may make use of the EU-U.S. and Swiss-U.S. Privacy Shield Frameworks, European Commission-approved standard contractual data protection clauses, binding corporate rules for transfers to data processors, or other appropriate legal mechanisms to safeguard the transfer. Please see our Privacy Shield Notice below.

c) Privacy Shield Notice

If and once so required we are going to be in compliance with the EU-U.S. Privacy Shield Framework and the Swiss-U.S. Privacy Shield Framework and contributors would be informed which affiliated entities adhere to the Privacy Shield principles. To learn more about the Privacy Shield Framework, visit the U.S. Department of Commerce's Privacy Shield List at <https://www.privacyshield.gov>.

You may direct any inquiries or complaints related to our Privacy Shield compliance to privacy@banquedual.com. If you eventually should have an unresolved privacy or data use concern that we have not addressed satisfactorily, you may contact our U.S.-based third party dispute resolution provider (free of charge) at <https://feedback-form.truste.com/watchdog/request>.

Under certain conditions, more fully described on the [Privacy Shield website](#), you may be entitled to invoke binding arbitration when other dispute resolution procedures have been exhausted.

6. Cookies and Similar Technologies

a) Cookies

QUANTOCOIN and its partners use cookies or similar technologies (such as web beacons) to analyse trends, administer the website, track users' movements around the website, and to gather demographic information about our user base as a whole. To find out more about how we use cookies on our Websites and how to manage your cookie preferences please see our [Cookie Policy](#).

(1) Cookies Policy:

Our websites use cookies to better the user experience while visiting the website. Where applicable, these websites use a cookie control system allowing the user on their first visit to the website to allow or disallow the use of cookies on their computer/device. This complies with recent legislation requirements for websites to obtain explicit consent from users before leaving behind or reading files, such as cookies on a user's computer/device.

The cookies in use to deliver Google Analytics service are described in the table below.

Cookie	Title	Description
__utma __utmb __utmc __utmv __utmz	Google Analytics	These cookies are used to store information, such as what time your current visit occurred, whether you have been to the site before, and what site referred you to the web page. These cookies contain no personally identifiable information but they will use your computer's IP address to know from where in the world you are accessing the Internet.

		<p>Google stores the information collected by these cookies on servers in the United States. Google may transfer this information to third-parties where required to do so by law, or where such third-parties process the information on Google's behalf.</p>
--	--	--

(2) Opting Out:

In order to provide website visitors with more choice as to how data is collected by Google Analytics, Google has developed the Google Analytics Opt-out Browser Add-on. The add-on communicates with the Google Analytics JavaScript (ga.js) to stop data being sent to Google Analytics. The Google Analytics Opt-out Browser Add-on does not affect usage of the website in any other way. A link to further information on the Google Analytics Opt-out Browser Add-on is provided below for your convenience. <http://tools.google.com/dlpage/gaoptout?hl=None>

For more information on the usage of cookies by Google Analytics, please see the Google website. A link to the privacy advice for this product is provided below for your convenience. <http://www.google.com/analytics/learn/privacy.html>

(3) Disabling Cookies:

If you would like to restrict the use of cookies, you can control this in your Internet browser. Links to advice on how to do this for the most popular Internet browsers are provided below for convenience and will be available for the Internet browser of your choice, either online or via the software help (normally available via key F1).

Internet Explorer: <http://windows.microsoft.com/en-GB/windows7/Block-enable-or-allow-cookies>

Google Chrome: https://support.google.com/chrome/bin/answer.py?hl=en-GB&answer=95647&p=cpn_cookies

Mozilla Firefox: <http://support.mozilla.org/en-US/kb/Blocking%20cookies>

Apple Safari: <http://docs.info.apple.com/article.html?artnum=32467>

b) Navigational Information Collected by Our Partners

Our Partners can use the tools we provide, as well as tools provided by third parties, to collect Navigational Information when you visit their webpages as part or related to the QUANTOCOIN PROJECT Service. However, we do not control our partners' use of these tools, nor do we control the information they collect or how they use it.

c) Single Sign-On

You can log in to our site using a Single Sign-on (SSO) service like your Google account. This service will authenticate your identity and provide you the option to share certain personal information with us such as your name and email address to pre-populate our sign up form. Such services may give you the option to post information about your activities on this Web site to your profile page to share with others within your network.

d) Flash Cookies and Other Third Party Tracking Technologies

The Adobe Flash Player (and similar applications) use technology to remember settings, preferences and usage similar to browser cookies but these are managed through a different interface than the one provided by your Web browser. This technology creates locally stored objects that are often referred to as "Flash cookies." QUANTOCOIN does not use Flash cookies. However, our Partners may create pages on a QUANTOCOIN PROJECT related platform that employ Adobe Flash cookies. For more information on "Flash cookies" and how you can manage them please visit our Cookie Policy.

e) Advertising

We partner with a third party ad network to either display advertising on our Web site or to manage our advertising on other sites. Our ad network partner uses cookies and Web beacons to collect information about your activities on this and other Web sites to provide you targeted advertising based upon your interests. If you wish to not have this information used for the purpose of serving you targeted ads, you may opt-out by clicking on the provided link or email. (or if located in the European Union, by clicking here: <http://www.youronlinechoices.eu/>). Please note this does not opt you out of being served to advertise. You will continue to receive generic ads.

f) Third Party Tracking Technologies

The use of cookies and web beacons by any tracking utility company is not covered by our Privacy Policy or Cookie Policy.

7. How to Access & Control Your Personal Data

a) Reviewing, Correcting and Removing Your Personal Information

You have the following data protection rights:

- You can request access, correction, updates or deletion of your personal information.
- You can object to processing of your personal information, ask us to restrict processing of your personal information or request portability of your personal information.

- If we have collected and process your personal information with your consent, then you can withdraw your consent at any time. Withdrawing your consent will not affect the lawfulness of any processing we conducted prior to your withdrawal, nor will it affect processing of your personal information conducted in reliance on lawful processing grounds other than consent.
- You have the right to complain to a data protection authority about our collection and use of your personal information. Contact details for data protection authorities in the EEA, Switzerland and certain non-European countries (including the US and Canada) are available [here](#).)

To exercise any of these rights, please contact us at privacy@banqueduval.com or by mail to Banque Duval & CIE LTD, The Leadenhall Building, 122 Leadenhall St, London EC3V 4AB, UK, Attention: Privacy. We will respond to your request to change, correct, or delete your information within a reasonable timeframe and notify you of the action we have taken.

b) Anti-Spam Policy

Our Acceptable Use Policy applies to us and to our contributors and, among other things, prohibits use of the QUANTOCOIN PROJECT Service to send unsolicited commercial email in violation of applicable laws, and requires the inclusion in every email sent using the QUANTOCOIN PROJECT Service of an "opt-out" mechanism and other required information. We require all of our contributors to agree to adhere to the Acceptable Use Policy at all times, and any violations of the Acceptable Use Policy by a contributor can result in immediate suspension or termination of the QUANTOCOIN PROJECT Service.

c) To Unsubscribe From Our Communications

You may unsubscribe from our marketing communications by clicking on the "unsubscribe" link located on the bottom of our e-mails, updating your communication preferences, or by sending us email us at privacy@banqueduval.com or by mail to Banque Duval & CIE LTD, The Leadenhall Building, 122 Leadenhall St, London EC3V 4AB, UK, Attention: Privacy.

Contributors cannot opt out of receiving transactional emails related to their account with us or the QUANTOCOIN PROJECT Service.

d) To Unsubscribe from Our Partners' Communications

Our Partners are solely responsible for their own marketing emails and other communications; we cannot unsubscribe you from their communications. You can unsubscribe from our Partners' marketing communications by clicking on the "unsubscribe" link located on the bottom of their emails, or by contacting them directly.
