

FOR IMMEDIATE RELEASE: London/Gibraltar, November 2020

Dear QUANTOCOIN and QUANTOPAY Enthusiasts,

First of all we do hope that all of you are healthy amid the pandemic situation!

You may have missed our monthly newsletters over the summer. Rest assured the team is thankfully well and worked throughout the summer so to support the CONTIS / VISA onboarding process and the API integration for our **QuantoPay Digital Challenger Bank of the Future** project.

To mention some of the **highlights** of the past months:

- ✓ **Quantocoin** agreed with one of the top 40 cryptocurrency exchanges, **LATOKEN** (<https://latoken.com/>), on 26th June 2020 to extend its cooperation from 2019 and prepare for an IEO throughout Q4 2020/Q1 2021 so to prepare the for the Quantocoin exchange lounge in 2021 (upon final approval of VISA)
- ✓ **QuantoPay** signed finally on 27th August 2020 the agreement for the KYC and AML provider **ONFIDO** (<https://onfido.com/>). Their services would cover as well our Crypto Exchange services of Quantocoin, once lounged in 2021
- ✓ **QuantoPay** elaborated with its Insurtech adviser, **Keninvest** (www.keninvest.com), the implementation of an insurance service into its platform and agreed on **SimpleSurance** (<https://www.simplesurance.co.uk/>) as the most suitable cooperation partner, as they just lounged with neobank **N26**
- ✓ **Quantocoin** and **QuantoPay** onboarded to their respective teams new members, especially for the IT and marketing, both of them will keep all of you up from now even more informed about our progress to establish one of the leading NEO BANKS in Europe and globally
- ✓ **QTC (International) Limited/Quantocoin** moved location in September within Gibraltar, just around the corner of the old address
- ✓ **QuantoPay** signed on the 10th October 2020 an extended partnership agreement with its Netherlands and Romania based IT development support team of **InfinIT Partners** (<https://infinitypartners.com/>)
- ✓ **QuantoPay** elaborated throughout the past 12 months set up options in the **Dubai International Financial Center (DIFC)** or **Abu Dhabi Global Markets (ADGM) Fintech Hubs** for its future Middle East / Asia expansion and is in the process to sign remarkable cooperation agreements with Dubai and Abu Dhabi based well known partners (more news on that to follow soon 😊)

Last but not least, we are happy to have received a **letter to you from our banking partner and VISA coordinator, Contis** (<https://www.contis.com/>), confirming that after a long and painful 1 ½ years of testing and legal and financial due diligence the VISA onboarding has started and that **QTC (International) Ltd** finally can again promote again its blockchain app and own cryptocurrency QUANTOCOIN and that instead of having to respect a 12 months waiting time up from the QuantoPay Digital Bank is going live, the onboarding process would

be started right after the GO LIVE. Hence, we are expecting the onboarding of the Quantocoin blockchain and crypto exchange application by Q2 of 2021, provided that the regulators do not again spoil our plans.

Having mentioned the Quantocoin exchange lounge next year: **QTC (International) Ltd** would like to remind that those Quantocoin enthusiast of you who have not yet installed their QTCT wallets to start looking into that as soon as possible and providing your QTCT Waves Wallets to the Quantocoin team under info@quantocoin.io so to have your QTC Tokens transferred in time. The **QTC (International) Ltd** director Pablo explained already in June on Twitter about the new version of our QUANTOCOIN WAVES accounts. You have to log in now through the following link please: <https://waves.exchange/>

Last but not least, all those of you who would still like to made use of our **Convertible Notes round** either directly in **QuantoPay Ltd**, or having some of their **QUANTOCOIN Tokens transferred into QuantoPay Ltd shareholding, the offer has been extended with some amounts still available**. As always, please have a careful look at our T&Cs under <https://quantocoin.io/wp-content/uploads/2019/06/TermsConditionsFIN2.pdf> and obtain qualified advise before considering to join our projects!

Special thanks to all our **Ambassadors**, who remain so loyal and fully supportive throughout all the years of our surely challenging journey!

Stay safe and wait for more news to come soon!

Your QuantoPay & Quantocoin Teams
