

Welcome to QuantoPay!

Dear Quanto-siasts!

A lot has transpired since our last newsletter in August and we cannot wait to share all about the events that have kept us busy in the past few months.

The World Cup 2022 in Qatar just ended with Argentina's sensational win against France. As announced in our previous newsletter, QuantoPay brought the action and excitement to our customers by offering a chance to **Experience the World Cup live in Qatar with the QuantoPay Ambassadors** upon registering to the QuantoPay platform and referring friends & family. This campaign was officially kicked off at the *Future Blockchain Summit, a part of GITEX Global 2022*, at the Dubai World Trade Centre from October 10 till 13, where QuantoPay also unveiled its revolutionary platform amongst international industry leaders in the blockchain and web 3 space.

The **lucky winners of the World Cup 2022** campaign, selected in a series of draws held on every fifth day in the past month, were announced on our social media pages. Which takes us to the first lucky draw, which was held at a spectacular event featuring a futuristic **Experience in the Metaverse** with QuantoPay Ambassador and football legend Michel Salgado.

The invite-only event with over 500 guests was held at the Al Serkal Warehouse, Al Quoz, on the 11th of November 2022. Top industry investors, business leaders and media personnel across the blockchain and Web 3 space gathered to celebrate the unveiling of QuantoPay's Metaverse experience. Guests enjoyed a truly one-of-a-kind QuantoPay Verse Metaverse experience, VR games, their favourite beats with the live DJ, amazing food, NFT giveaways and much more! Additionally, QuantoPay, Verse Estate and Crypto Oasis set a precedent in the Gulf region by announcing their corporate partnerships. The first lucky draw in the Metaverse with Michel Salgado was one of the highlights of the event. Check out our social media pages for media coverage and pictures. It will be followed by our own ultra-real Metaverse and avatars presented shortly.

Also, we have exciting news regarding the GO LIVE of the QuantoPay platform. Our team's consistent efforts have paid off and we have finally launched the QuantoPay application's GO LIVE on Google Play Europe! We are also waiting for final checks in order to GO LIVE on Apple. **The estimated GO LIVE date is 23rd January 2023.**

That's not all. Earlier this month, QuantoPay Polo team had the honor of competing with teams across the world up to the *Semifinals during a prestigious international Polo tournament in Argentina*. The week-long tournament hosted businessmen from Latin America and around the world and provided a great opportunity to announce the launch of QuantoPay in Argentina, which is scheduled for 2023.

In conclusion, as we enter the holiday season, we wish you Season's Greetings and a Happy New Year. Here's wishing you a fabulous time, surrounded by the warmth of family and friends.
